

Figures Lie!

(Continued from Page One) The revenue taken in during September was \$15,039.69, total expenditure, \$15,773.13. Since municipal government and the bus system share the same repair garage, many Torrance citizens have expressed a doubt whether the lines are actually losing money. They point out that perhaps through some oversight municipal government expenditures such as repair for police cars, fire engines, etc. could conceivably be entered in the bus repair column.

NINE MECHANICS

A city official, who preferred not to have his name mentioned, disclosed that nine mechanics are on the city garage payroll. It is contended that most of these men are idle a good part of the time due to a lack of work. This official pointed out if repairs on busses were farmed-out and one mechanic kept for emergencies, he believed the bus lines would be in the black.

EL NIDO RUN

The Long Beach El Nido run traveled 14,911 miles during the month and hauled 15,905 passengers. Operation and maintenance costs were \$4,252.84. The line took in \$3,136.52—suffering a loss of \$1,116.32. This run made 21.0 cents revenue per mile and spent 28.5 cents per mile. This is a loss of 7.5 cents per mile. About 1.1 passengers per mile were carried.

The El Camino-Kettler Knolls busses traveled 3,192 miles and hauled 2,422 passengers. The line took in \$278.03 and spent \$951.82. This is a loss of \$673.79. Statistically the line took in 8.7 cents per mile, and it cost 29.9

Police Ponder

(Continued from Page One) rance's jurisdiction, Gardena police reported. Police Captain W. H. Haslam said that the Torrance Police Department was there first—thinking the accident was in this city's territory.

"We can't afford to quibble—just in case someone is injured," said Haslam. "We try to get relief as soon as possible."

Haslam said that the Torrance police car left when no injuries seemed evident.

Hurts Children

Minor injuries were suffered by two small children last week in a two-car collision at 174th and Arlington, police reported.

Treated for cuts and bruises by a private physician were Louis Jacobs, 4 months, and Rachel Jacobs, 2½, passengers in an auto driven by their mother, Mrs. Gertrude Jacobs, 30, of 3707 W. 174th St.

The other motorist was listed as Louis Gonzales, 34, of Hermosa Beach.

cents per mile to operate it—making a loss of 21.2 cents per mile.

The Walteria-Hollywood Riviera line took in a total of \$556.08 and spent \$1,429.25—making a loss of \$873.17. The bus transported 4,929 passengers. Statistics show that this line took in 11.3 cents per mile and spent 29.0 cents per mile—making a loss of 17.7 cents per mile. Exactly one passenger per mile was transported to his destination on the Hollywood Riviera line.
